Subject: Worldwide Express (WWX-5) Contract Award Effective 1 October 2011

Purpose: To advise all shipping activities that the WWX-5 contract has been awarded and will become effective 1 October 2011

Be Advised: Under the WWX-5 program three express air Transportation Service Providers (TSP) were awarded contracts. The performance period of these contracts will be five years (base, plus four options) effective 01 October 2011. Contracts were awarded to:

Federal Express Corporation, Contract No. HTC711-12-D-C001
Polar Air Cargo Worldwide (DHL Express subcontractor), Contract No HTC711-12-D-C002
United Parcel Service Co., Contract No. HTC711-12-D-C003

These contracts are no longer defined as International Small Package Express (ISPX, letter to 150 lbs) and International Heavyweight Package Express (IHX, 151 to 300 lbs). WWX-5 is an all inclusive program for the express movement of packages weighing letter – 300 pounds.

We are in the process of developing the rate calculator for WWX-5 contracts and rates will be available on the AMC WWX webpage on/about mid September for review and shipment planning purposes.
